Wireless Headphones

With no cable coming between you and your favorite tracks, Sennheiser's top-notch wireless headphones will be sure to satisfy everyone, even the most demanding audio connoisseurs. While lossless digital RF-transmission is perfect for high-end home stereo use, Bluetooth®-equipped models work great with mobile devices. Reliable and easy to handle, Sennheiser's wireless headphones really unleash the joy of sound.

Sennheiser offers a wide range of wireless models catering to different needs: From IR-stereo TV listening systems to audiophile digital home systems to luxurious Bluetooth® travel headsets.
